

Behavioural Sports Premium Spending

April 2018 – March 2019

Sports Premium Focus	Cost	Summary of spending	Outcomes/impact.
Staffing	6000	Additional staffing has been provided for a number of reasons - including <ul style="list-style-type: none"> • An MDS in class 13 every Friday morning to cover Wendy Fielding to attend Langley Baths and complete relative paper work. • MDS attended Portway Centre for a half term – for 1:1 help outside school. • Cover in Class 16 to enable a child to have 1:1 cover so the whole class can take part in physical exercise. • Staff covered to deliver weekly Rebound therapy to certain children with Multiple and profound physical needs • Annie covered 3 mornings to organise Sports Days. • 	<ul style="list-style-type: none"> • Swimming Lessons at Langley baths attended by qualified swimming teacher – many children gaining distance awards – important skills for health and child’s general safety. • A class of children with specific behaviour able to attends sports sessions at Portway Centre with WBA trainers. • PMLD children to receive Rebound Therapy. • Staff trained to deliver and share good practise throughout school.
WBA Trust		WBA trust supports the school in PE activities. <ul style="list-style-type: none"> • A Class attend Portway Centre every Monday morning for teamwork/games session taught by WBA Foundation trainers. • Trainers from Trust attend school every Thursday afternoon – Early Years/Phase 1 and 2 classes have a gymnastics/equipment lesson. • After school club twice a week attended and staffed by WBA Foundation. 	<ul style="list-style-type: none"> • Numerous breakthroughs in PE skills, behaviour and confidence • Stimulating PE sessions for all three phases of children in Orchard School. Examples of best practise to help train our staff. • Healthy and stimulating activities for our children that go to afterschool activities. • Rewarding lunchtime plays keeping children occupied, using their natural energy.

		<ul style="list-style-type: none"> Lunchtime clubs every day across the school using the schools resources to their full potential I e.g. outdoor gym. Support for additional events including Phase 1 and 2 Sports Days and Orchard Aquatics Day. 	<ul style="list-style-type: none"> Increased participation for our children and their families at Sports Day – penalty shootout activity and extra activity for children from 5 special schools to take part in.
Assisted Passive Yoga sessions with Janette Colbridge Vase	£2800	Providing weekly yoga sessions for children who cannot participate in traditional PE sessions due to their physical disabilities and children who are post-operative. This is to be reviewed before half term to change the children she works with to spread the skillsets across the school and work with different types of children.	Staff Training, children involved in physical activity, can be used as an alternative therapy. Yoga can help increase concentration, flexibly, and strength. It can also develop coordination and reduce stress and anxiety.
Dance instruction from Elizabeth Wilkes	£1000	<ul style="list-style-type: none"> Weekly dance sessions for Phase 1 and 2 children. Inclusion in evening. Performances in school e.g. Christmas shows and Celebrations day. 	Dance has helped our children mature physically, emotionally, socially, and cognitively. Benefits of dance are widely accepted, but also the emotional, social and cognitive attributes have only recently begun to be appreciated. Dance involves a greater range of motion, coordination, strength and endurance than most other physical activities. This is accomplished through movement patterns that teach coordination and kinaesthetic memory. Dance promotes psychological health and maturity. It also fosters social interaction, and cooperation.
Weekly Rock climbing sessions at Malthouse Centre. Plus addition of elite group once a week.	£670	<p>Different Phase classes across the school attending rock climbing lessons every Monday afternoon at Malthouse activity Centre – 2 trainers in attendance.</p> <p>Recently advanced climbing skills identified in Class 17 who now attend an extra session a week to tackle the more difficult climbs.</p>	Good technique is more important than physical strength, the more children climb the stronger and fitter they will become. Good footwork, body positioning and problem solving. This climbing centre has specialist instructors who have experience with rehabilitation and working with all kinds of physical and mental disabilities.

Langley Pool swimming lessons – 2 groups weekly.	Cover costs for Wendy Fielding see above	Twenty children from Phase 2 attending a swimming lessons to accomplish swimming skills and distance awards as the Orchard Pool did not fulfil their needs.	All of the children started at Langley Baths using swimming aids – many have swum 25m lengths + unaided.
Early Years, Phase 1 and 3 Sports days	£150	All children involved in Sports Day – including many different activities to suit their individual needs. Families in attendance. Medals will be purchased, and some equipment will need to be replaced	Successful Sports Days all children received a medal
Sycamore Centre	£1700 (inclusive of transport £300 approx.)	Silver Package starting in Summer term 2018	8 sessions over term taking up to three classes each day – award winning Sycamore Centre – Adventurous play/team building.
Resources	£1000	Large order to help with moving targets identified by class teachers and the replace broken or missing items. New resources identified and purchased	Enabling well-resourced PE sessions – an opportunity for children to visit sensory physical area to add to PE provision in class.
