There are 4 characters in this exciting story!

Ben's Grandma came home from the shops looking very excited. She had bought Ben an iPad. She knew that Ben had been asking for one for ages!

Ben's Mum is not happy.

She thinks Ben is too young to know how to use the Internet safely.

Ben promises that he is grown-up enough to use the iPad safely.

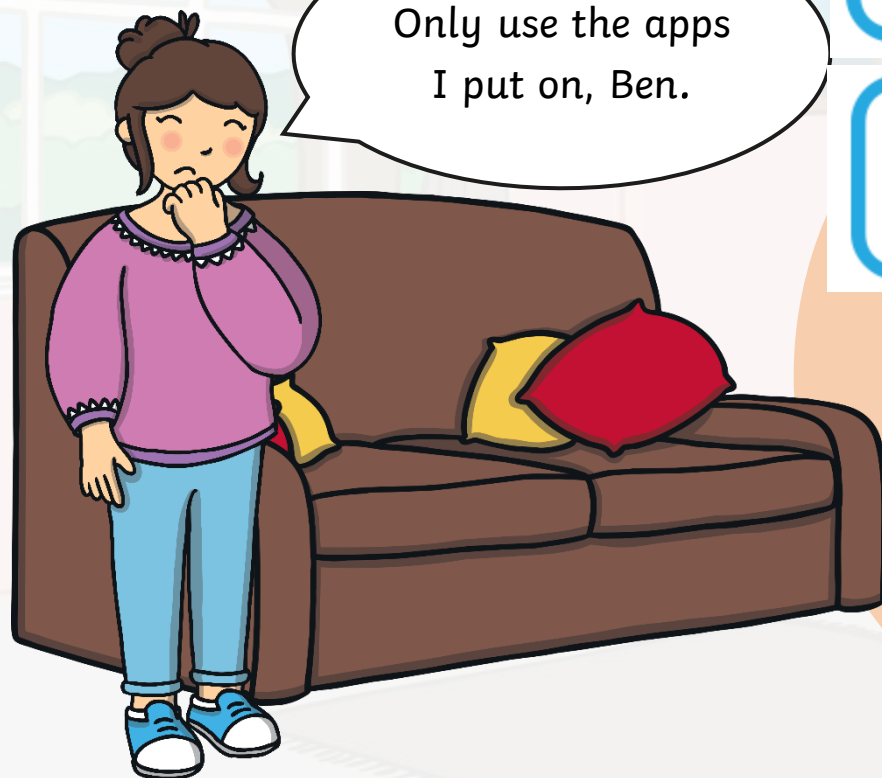

I'm worried you are too young for an iPad!

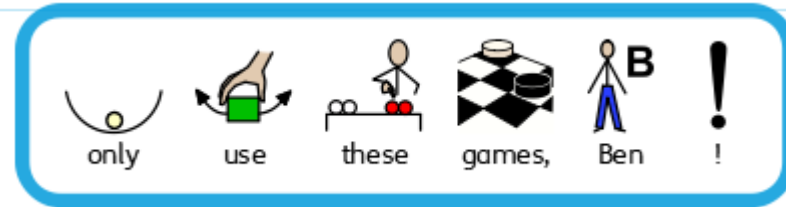

Please mum. I promise I will use the iPad safely.

Mum installs lots of child-friendly apps on to the iPad. She downloads lots of fun games for Ben to play and tells him he can **only** go on these apps because Mum knows they are safe.

Only use the apps  
I put on, Ben.

## Ben's 'Use Your Tablet Safely' Song

(Sung to the tune of Frère Jacques)

Ask a grown-up,

Ask a grown-up,

Ask for help!

Ask for help!

Use your iPad safely,

Use your iPad safely,

Ask for help!

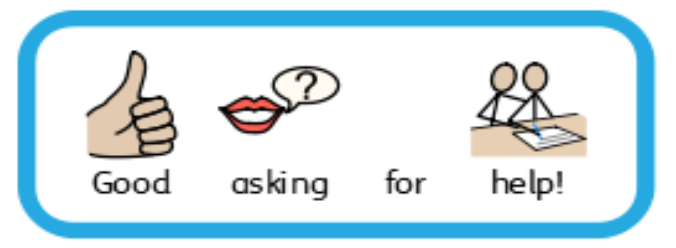

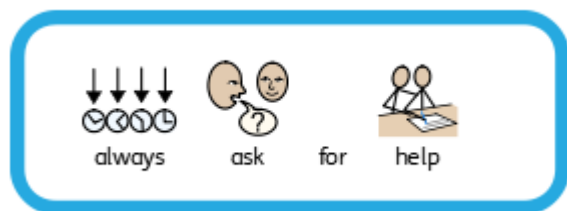

Ask for help!

Ben asked mum for help. 'Look at this, Mum, what should I do?' he said.

Mum looked at the Ipad and said No!  
That new game is not ok for you, Ben.

# Internet Safety Rules

Always ask a grown-up for help if you see anything strange or unusual, especially if it makes you feel worried or scared.

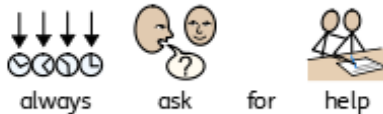

Don't download or install anything without asking a grown-up first.

Remember, not all games and videos are ok for children.

Never talk to strangers online and don't tell them where you live.

Always ask for help!
