

The Orchard School proudly announces the launch of The Orchard School Framework of Intent.

This comprehensive curriculum structure delivers all that is needed to plan for meeting the learning needs and EHCP outcomes for SEND pupils working below age-related expectations. It ranges from Birth to 5 years within a developmental curriculum encompassing all key aspects of the EHCP framework.

We are excited to also announce that through the Autumn term 2022 further development of content will expand to meet expectations and the end of Year 2 end of KS1 expected standard.
