### Learning

### Step 3-4

Will your child turn or lift his head when some thing is happening to the side of him?

- Percussion instrument?
- Light up toy?
- Your voice?

Will your child reach towards toys above when lying down e.g. play gym

Do they make consistent responses to having their body moved to music.

Do they show awareness of being on different surfaces e.g. rolling on a mat, lying over a physio ball. Check physio plan.

Will they swipe at objects with their arms...

In front?

Above?

To the left?

To the right?

Below?
