

Fine Motor Skills Home Learning Step 11–12

Do lots of horizontal, vertical and circular movements with a variety of objects e.g. ribbons, or torches in the dark together?

Start by threading large wooden beads on to a shoelace.

Move on to threading smaller wooden beads on to a shoelace.

Ask your child to pour their own drink or milk onto their cereal out of a jug.

Squeeze water out of sponges or squirt toys outside or in the bath.
