Wednesday 10<sup>th</sup> September 2025

Dear Parents and Carers,

We are excited to announce that we will be taking part in **Jeans for Genes Day** on **Friday 19th September 2025!**

This is a fantastic opportunity for our school community to come together, and support children and families affected by genetic conditions. By simply wearing jeans and donating **£2**, our pupils can help fund vital support services and raise awareness for those living with these conditions every day.

Each class will be planning their own fun activity to take part in throughout the day, having taking inspiration from the Jeans for Genes fundraising pack.

### **How can your child take part?**

- On Friday 19th September, children are invited to come to school wearing **jeans** instead of their usual school uniform.
- Please ensure the rest of their outfit is suitable for a normal school day (e.g. school T-shirt/jumper if required, and appropriate footwear).
- We kindly ask for a **£2 donation** which can be paid via **ParentPay**. (Please do not send cash.)

Every pound raised will go towards making a meaningful difference in the lives of children with genetic disorders. Together, we can help create a brighter future for these families.

Thank you for your continued support.

Kind regards,  
Rebecca Edwards, Amy Corey & Carrie Dudfield

Leaders Of Phases.
