Dear Parents and Carers,

As part of our ongoing efforts to enhance and enrich the religious education experience for our pupils, we are reaching out to families for support. We are seeking donations of resources, artifacts, books, or materials from various religious traditions that can help support the curriculum and create a more immersive learning experience for our children. These resources could include religious texts, artwork, clothing, music or any other materials that can contribute to a broader understanding of different faiths and practices.

Your contribution will play an important role in expanding the pupils' learning opportunities, deepening their understanding of religious beliefs and fostering a greater sense of respect and appreciation for diversity in religion. Any items or resources you can share will be greatly appreciated and will directly benefit the children's learning journey.

If you can donate any resources, please bring or send them into school and hand them in at reception. We are grateful for your support in making this an enriching experience for all our pupils.

Many thanks for your continuing support. Any questions please contact school.

Kind Regards

Charlotte Hughes

Leader of Learning UW
