6/5/26

Dear Families,

We hope you are well and enjoying a little bit of the recent sunny weather! A small update regarding the school hall. Unfortunately, the hall is out of use at present because it requires significant repair work. We are awaiting further details on a timeframe for this.

It may be that it is resolved within a few weeks or it may take longer. In the meantime, classes where possible will participate in PE outside using the quad, gym, trim trail and sensory garden. The West Bromwich Albion Foundation will continue to provide support as normal. For those children that participate in rebound therapy, there is not another room with the relevant space to safely run rebound therapy and so unfortunately this will not run at present.

We hope it will be resolved by then but regarding the prom for leavers, the Time to Shine award assemblies and any other end of term celebrations these may have to be cancelled and/or plans and arrangements changed.

We will update you as and when we know more.

Many thanks,

Laura Valentine

Assistant Headteacher
