25.6.2026

Dear families

The MET office warnings for extreme heat have now been issued for Friday 26th June. Despite our very best efforts to keep the school building cool, we cannot maintain an appropriate temperature for the children.

Many of our students seek the opportunity to spend time outside, which creates further complications as we cannot control external temperatures.

Transport is also a significant concern with many students spending time on vehicles during peak heat.

Therefore, I have taken the decision to close the school tomorrow.

I understand that this is very disruptive for families, but I must prioritise the safety and well-being of students and staff colleagues.

Thank you for your understanding.

Kindest regards

James Horspool.
