

EAD Home Learning

Steps 6, 7 and 8

Help me by:

- Providing a range of exciting and stimulating materials (e.g. hessian, fur, felt, bubble wrap) and instruments (e.g. tambourine, rattles, bells, xylophones).
- Encourage more exploration by providing extra tools (e.g. brushes, rollers, sponges, stampers) and materials. Try to change the appearance or use of materials (e.g. cutters, rolling pins to pastry).
- Allow me time to reflect on my work.
- Provide opportunities and time to listen to a wide range of music with a strong, simple beat e.g. brass band, heavy rock, reggae.
