Steps 11 and 12

Help me in music by:

- Providing a range of music with a change in tempo/ style and beat (e.g. cinematic music, hip hop, classical).
- Identifying opportunities for me to perform to an invited audience (parents/siblings/grandparents).
- Encouraging me to imitate the work of others (e.g. to join in with the rhythm someone else is making).

Help me in art by:

- Providing opportunities to visit different places containing 'art'.
- Supporting me in planning my work (e.g. choosing the materials and tools to use and how to create the art).
- Model 'thinking skills'. (I think this will be the best one to use because ...).
- Make suggestions and ask questions to extend my ideas (e.g. I wonder what would happen if...?).
