

EAD Home Learning

Steps 13 and 14

Help me in music by:

- Encourage me to listen to sound stories and choose instruments that reflect/represent the stories i.e. drums for thunder.
- Supporting me to make my own musical scores using instruments.

Help me in art by:

- Use the work of other artists (e.g. Matisse, Moore, Warhol) to be used as inspiration/ starting points
- Demonstrate and talk about how colours and techniques can be used in creating a of piece artwork (e.g. roller or stamps to create an effect).
- Model `thinking skills' (I think this will be the best one to use because).
