

Counting

Help me to join in with counting.

We can do these in different ways:

In order - 1, 2, 3, 4, 5.

Backwards - 5, 4, 3, 2, 1.

Numbers missing - 1, , 2, 3, 4, .

Can I join in with counting to 10 or further e.g. 15/20.

Maths Home Learning

Step 13 and Step 14

Number Poster			
1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16
17	18	19	20

Shapes

Help me to find and learn the names of 3D shapes.

Can I find and name 3D shapes? Cone, Cube,

Sphere, Cylinder, Cuboid, Pyramid.

Snap

Help me to learn how to play snap. Each person is to have the same amount of cards. Take it in turns taking a card and placing it in the middle to create a pile. When two cards match encourage me to shout out 'snap'. Can I play snap?

Colours

Help me find and learn the names of colours. We can go on a colour hunt. Can I find and name 5 colours? Red, Yellow, Green, Blue, Orange.

Amounts

Show me how to make different amounts up to 5. Give me a number and encourage me to count objects, stopping me when I reach the correct amount. Start off with 1 and 2 then move onto 3, 4 and 5.
