Communication: Speaking & Listening

<u>Step 12</u>

Play a game with me sorting objects into groups - things we:

- Eat
- Wear
- Drink

When it is dinner time or bath time ask me to find the correct objects that we need:

- Cup for a drink
- Sponge for a wash

Throughout the day ask me who, what and where questions

what

When I am playing call my name or touch me, can I switch my attention from my activity to you?

When familiar people are not with me do I still talk about them?

where

Can I ask questions using what, where and who?
