Communication: Speaking & Listening

Step 13

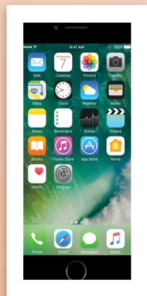

When I am in the bathroom offer me 2 objects, one correct object and one silly one! For example a toothbrush or a cup to brush my teeth!

Whilst I am playing talk to me about what I am doing. Do I engage in a simple conversation with you?

Encourage me to take turns with more than one person during play.

Do I cooperate in a group?

Play a hiding game with me! Give me 2 objects that I like. Take one away, can I remember what's gone?
