Communication: Speaking & Listening

Step 14

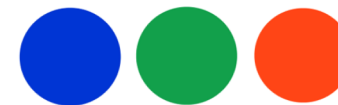

DRY

WET

Help me to learn opposites, explore warm and cold textures and food, wet and dry materials, play with my cars making them go slow and fast!

Throughout the day name colours with me. Do I know some colours now?

Blue Green Orange

Purple Red Yellow

Allow me the opportunity to chat on the phone!

Show me lots of different faces! What do we look like when we are happy/sad or angry?

When I am playing and you want my attention, support me to stop what I am doing to listen to what you are saying
