## Communication: Speaking & Listening

### Step 16

When I am having a chat with people how do I respond to why, what, how, when, and who questions.

Talk about past, present and future events with me, do I use the correct language?

Read familiar stories with me, do I listen attentively, anticipate and respond to what I hear with relevant comments, questions or actions?

<b>Who?</b>	

When I am engaged in an activity, can I still have a chat with you? Can I answer your questions appropriately and still attend to the activity?
